PROFESSIONAL SUMMARY

Versatile and forward-thinking UI/UX Designer and Full-Stack Developer with a solid foundation in front-end/back-end technologies and visual communication. Proven experience in executing structured training programs for professional IT modules (CIT/DIT) and UI/UX design workflows, alongside deploying tailored e-commerce systems. Currently enhancing analytical capabilities through a comprehensive 1-Year Professional Certification in Artificial Intelligence & Data Science to engineer data-driven, highly optimized, and user-centric digital experiences.

PROFESSIONAL EXPERIENCE

UI/UX Design Instructor

6 Months

IT Training Institute / Freelance

- Delivered a comprehensive 6-month specialized curriculum covering advanced UI/UX design theories, user research methodologies, wireframing, and interactive prototyping.
- Mentored students through hands-on design labs to establish seamless user interfaces and integrate modern design workflows.

Junior DIT Instructor & Graphic Designer

Jan 2025 – Apr 2025

IT Training Institute / Freelance

- Served as a Junior Teacher for the DIT (Diploma in Information Technology) program, guiding students through modern technology frameworks.
- Executed creative design blueprints and assets using graphic engineering suites.

Junior IT Instructor & Web Developer

Jul 2024 – Dec 2024

IT Training Institute / Solutions Provider

- Elected as Class Representative, executing streamlined administration and student coordination.
- Delivered essential computer technology principles as a Junior Teacher for the CIT course.
- Developed and systematically managed secure digital storefronts and e-commerce web applications.
